MASTER SERVICES AGREEMENT

Agreement. This Master Services Agreement ("Agreement") dated as of [ ], is entered into by and between Metropolitan St. Louis Sewer District ("MSD"), operating out of its corporate offices at 2350 Market Street, St. Louis, Missouri 63103 and _____, Tax Id Number _____ ("Vendor") having its corporate offices at _____(collectively the "Parties").

In consideration of the mutual covenants and agreements hereinafter set forth and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. **Services.** Vendor shall provide technology/information governance services ("Services") to MSD as specified and set out in a Statement of Work ("SOW") executed by the Parties and attached hereto as **Exhibit A**. In the event of a conflict between this Agreement and a SOW, the terms of this Agreement shall prevail. Any changes to the scope of Services as set forth in the SOW shall be agreed upon in writing and signed by the Parties. Vendor shall have no obligation to perform Services in connection with any such change until the Parties have agreed upon the effect of such change concerning Vendor's fees and/or schedule of performance. For the sake of clarity, nothing in this Agreement shall be construed to prevent MSD from performing for itself or from acquiring from other providers services that are similar to or identical to the Services provided by Vendor.

2. **Scope of Services.** MSD will define specifications required of the Services and will identify the individual(s) who will coordinate the project on behalf of MSD. Vendor will assign a sufficient number of employees to perform the Services set out in each SOW (the "Contracted Staff").

3. **Work Provisions.** MSD will provide space and computer facilities for Contracted Staff except when the Parties agree that such Services are to be performed off-site.

4. **Supervision.** Unless otherwise specified, MSD is responsible for managing the day-to-day work of Contracted Staff, advising on rules governing conduct, schedules, and tasks. Vendor will participate in periodic progress meetings as requested by MSD and Vendor will provide feedback to Contracted Staff as necessary to execute the Services set forth in the SOW.

5. **Work Acceptance.** MSD is responsible for final acceptance of all the work performed by Contracted Staff, including but not limited to the quality, timing, completeness, adherence to standards, and thoroughness of documentation.

6. **Confidentiality.** Vendor and Contracted Staff shall treat as proprietary and confidential all non-public information, material, and data relating to MSD and its affiliates ("Confidential Information"). Such Confidential Information includes, but is not limited to specifications, designs, plans, business operations, and other similar data and the names, qualifications, resumes or similar information regarding MSD and its affiliates, employees, agents, consultants, or

independent contractors. Confidential Information does not include any information that is generally available to the public other than as a result of Vendor's breach of this Section 6. Vendor and Contracted Staff agree not to divulge Confidential Information to any third party without the express written consent of the Executive Director of MSD. Contracted Staff will be required to sign a confidentiality statement as a condition of providing Services to MSD.

7. **Conversion Fees.** MSD shall have the option to hire directly onto its own payroll and employ any Contracted Staff under a SOW within 180 days after the Start Date set forth in the applicable SOW. If MSD elects to employ a Contracted Staff member prior to the expiration of 180 days after the Start Date, MSD shall pay Vendor a conversion fee equal to twenty-five percent (25%) of the Contracted Staff member's gross annualized compensation which would have been paid to Vendor in accordance with the terms of the applicable SOW (the "Conversion Fee").

   Vendor shall waive its right or claim to any Conversion Fee in the event MSD notifies Vendor of its intent to terminate the SOW and hire the then assigned Contracted Staff member directly onto its payroll if such hiring is to occur more than 180 days after the Start Date as set forth in the applicable SOW, provided that MSD has paid Vendor all invoiced amounts for work performed by such Contracted Staff member.

8. **Service Termination.** MSD may terminate the assignment of any Contracted Staff upon two (2) weeks' written notice to Vendor. For cause, termination may be immediate. Where termination is for cause, if requested by MSD Vendor agrees to provide within three days, or within a mutually agreed upon time, an equally qualified replacement at the same rate in order to complete the assignment.

9. **Employment Termination.** Should a Contracted Staff member's employment with Vendor terminate while performing Services for MSD, if requested by MSD Vendor will assign within three days, or within a mutually agreed upon time, another equally qualified replacement at similar rates in order to complete the assignment.

10. **Termination.** Either Party may terminate this Agreement at any time without cause upon two (2) weeks' written notice to the other Party or upon completion of Services by Vendor. Upon expiration or termination of this Agreement, Vendor and Contracted Staff shall promptly return to MSD all MSD property, equipment, or materials in its possession or control, including all documents, data, and tangible materials containing MSD's Confidential Information. Vendor agrees to certify in writing that it has complied with the requirements of this Section 10.

11. **Invoicing and Payment.** Vendor will invoice MSD for Services performed twice a month, or once monthly, 1st thru 15th of the month and then 16th thru end of month. Invoices cannot overlap months. Applicable taxes, if any, shall be added to the charges payable by MSD. MSD will pay Vendor net thirty (30) days from the invoice date.

12. **Fees.** Hourly rates for Contracted Staff are based upon a 7.5-hour workday. In consideration of the Services rendered by Vendor to MSD under this Agreement, MSD will pay fees in accordance with the agreed upon rates as set forth in the applicable SOW. Special agreement(s) covering fees, if any, are to be described in an attached addendum.

13. **Out-of-Pocket Expenses.** Vendor is solely responsible for any travel or other costs, or out-of-pocket expenses incurred by Contracted Staff in connection with the performance of the Services, with one exception: MSD shall reimburse Vendor for reasonable out-of-pocket travel expenses incurred by a remotely assigned Contracted Staff member if the individual is required to report to an MSD site to perform work at MSD's request. These reimbursable out-of-pocket expenses will be paid and/or reimbursed by MSD provided it is agreed to in writing in advance by MSD, and will be reimbursed in accordance with MSD's Contractor Business Expense Reimbursement Policy, a copy of which is attached as **Exhibit B**. All expenses not meeting the requirements of this Agreement or the SOW to which it applies shall be the sole responsibility of Vendor.

14. **Independent Contractor.** It is understood and acknowledged that the Services provided by Vendor and Contracted Staff shall be in an independent contractor capacity and not as an employee or agent of MSD. Vendor and Contracted Staff have no authority to commit, act for or on behalf of MSD, or to bind MSD to any obligation or liability, nor do Vendor or Contracted Staff have the authority to hold themselves out to the public as being an employee or agent of MSD. Vendor shall be responsible for providing any salary, wages, workers' compensation, or other benefits to Contracted Staff; will make all appropriate tax, social security, disability, Medicare and other withholding deductions and payments; and will make all appropriate unemployment tax payments. Vendor shall indemnify MSD, its trustees, directors, officers, employees, successors, and agents against: (A) all claims by any Contracted Staff for salary or other benefits of any kind in connection with the Contracted Staff's work for MSD or its affiliates; (B) any claim, assessment, fine, penalty or award based on the Contracted Staff's status as an employee of Vendor or any withholding deduction, workers' compensation claim, or tax liabilities in connection therewith; and (C) any claims arising out of or occurring in connection with Vendor's or Contracted Staff's negligence, willful misconduct, or breach of this Agreement.

15. **Liability.** Vendor shall, at its own expense, maintain and carry insurance coverage in full force and effect in accordance with MSD's REVISED INSURANCE & BOND SPECIFICATIONS MASTER PROCUREMENT CONTRACTS EFFECTIVE 10/15/22, Updated 12/07/22, a copy of which is attached as **Exhibit C**. Vendor shall provide MSD with a Certificate of Insurance from Vendor's insurer evidencing the insurance coverage specified in this Agreement and shall update the certificate annually. The Certificate of Insurance shall name MSD as an additional insured.

16. **Warranty of Performance**. Vendor warrants the professional quality of Services rendered by its Contracted Staff. Any Services performed by Vendor which are determined by MSD to be of less than professional quality shall be corrected by Vendor without additional charge to MSD. In the event Contracted Staff fail to satisfactorily perform any of the Services on a timely basis, MSD shall

have the right, without prejudice to any other rights or remedies it may have under this Agreement or any applicable SOW, to withhold payment of any amounts otherwise due to Vendor.

17. **No Assignment.** This Agreement may not be assigned by either Party.

18. **Compliance with Laws.** Vendor agrees that it will comply with all applicable laws and regulations in providing the Services and with all of MSD's applicable rules, regulations, ordinances, and policies. Vendor has and shall maintain in effect all the licenses, permissions, authorizations, consents, and permits that it needs to carry out its obligations under this Agreement.

19. **Entire Agreement.** This Agreement, including and together with any related Statements of Work, exhibits, schedules, attachments, and addendums, constitutes the sole and entire agreement between the Parties with respect to the subject matter contained herein, and supersedes and cancels any previous agreement, whether written, oral, or implied between the Parties. It expresses the complete and final understanding of the Parties and may not be changed in any way except in writing and signed by both Parties.

20. **Choice of Law.** The Parties hereby agree and stipulate that this Agreement and all matters arising out of or relating to this Agreement shall be governed by and interpreted in accordance with the laws of the State of Missouri, without giving effect to the conflict of laws provisions thereof to the extent such principles or rules would require or permit the application of the law of any jurisdiction other than those of the State of Missouri.

21. **Counterparts.** This Agreement may be executed in counterparts, each of which is deemed an original, but all of which together are deemed to be one and the same Agreement.
