INTRODUCTION

The City of Anaheim ("City"), Central Purchasing Office ("CPO"), on behalf of the Economic Development Department is issuing this Request for Proposal ("RFP") to qualified respondents to provide on-call professional staffing and technical support services to assist with the City's business development, capital planning, and program implementation efforts. These services will help advance key initiatives such as the City's Storefront Improvement Program, Rebuild Beach, Little Arabia District, Anaheim Canyon, and others. Services may include project management, program development, engineering support, construction coordination, outreach, and other economic development-related services. Tasks may involve work across City departments and require coordination with internal teams, external partners, and the public. Firms should demonstrate flexibility, cross-disciplinary expertise, and an ability to support evolving priorities.

Any Agreement between the City and the successful respondent would take effect following approval by the City Council and execution of the parties.

GENERAL INSTRUCTIONS

A prospective respondent must register with OpenGov and electronically submit a single proposal, including any supporting uploads, via Anaheim's E-procurement Portal ("**Portal**") at the below URL address:

https://procurement.opengov.com/portal/anaheim

Respondents must submit proposals ***no later than the deadline specified in the RFP Schedule***. Anaheim will not accept or consider any untimely submitted proposal. Each respondent may submit ***only one*** proposal; multiple proposals will result in rejection of all proposals. Anaheim will not accept or consider hardcopy submittals.

Please note: If you encounter any problems with your registration, proposal submission, or have other system issues, please contact OpenGov's support staff via the live chat option or via email at procurement-support@opengov.com.

2. Submission of Inquiries

Any inquiries seeking clarification of any provision in this RFP must be submitted exclusively via the Portal no later than Friday, October 24, 2025 before 5:00 pm. Anaheim will not respond to inquiries submitted through any other method.

All notices, clarifications, and addenda related to this RFP will be available only on the Portal. Anaheim will not send individual notifications of changes or updates—it is the sole responsibility of each respondent to monitor the Portal for modifications to this RFP.

Please take note: Anaheim is committed to maintaining a fair, open, and transparent competitive process. To ensure equal access to accurate and complete information, respondents (including their representatives, agents, or anyone acting on their behalf) are prohibited from engaging in any verbal or written communication regarding this RFP with Anaheim employees, consultants, appointed or elected officials, or commission/board members from the time this RFP is issued until the date an Agreement is executed.

To withdraw or amend a proposal, respondents must use the withdrawal function within the Portal before the Proposal Submission Deadline. Once withdrawn, a new proposal may be submitted, provided it is completed and finalized before the deadline. Proposals cannot be modified, withdrawn, or resubmitted after the Proposal Submission Deadline.
